The Old School House

Roseville Care Homes

The Orchard Court is situated in the picturesque village of South Cave and our home provides high quality care and accommodation to 42 residents with a broad range of needs.

The Old School House is situated in the appealing village of Gilberdyke between Hull and Goole and our home comprises of 3 integrated units enabling us to provide every level of care in one single location.

Our home provides high quality care and accommodation for 42 residents and is a purposely designed building to reflect the needs of the older person including those with memory impairment and challenging behaviour.

Day Care

If you are caring for someone, using our day care service means that you have the chance of some much needed time for yourself, whilst also giving the person you care for a change of scenery and the opportunity to make new friends.

Our day care service can meet your individual needs in a caring environment which includes:-

- Dedicated and professional day-care staff
- Assistance with all personal needs
- Homely setting and relaxed atmosphere
- Activities
- Home cooked meals freshly prepared in fine Yorkshire tradition using a local fruit and vegetable supplier and our local butcher
- Special dietary requirements catered for

Day care can be offered at a frequency to suit each individual ranging from one day per week up to seven days per week, if required.

Respite Care and Short Breaks

Everyone deserves to have a break. Whether you are a professional carer, are in need of care yourself or care for a relative, you deserve to take a break from your usual routine.

A respite stay at Roseville Care Homes in either The Orchard Court or The Old School House gives many people the opportunity to experience first class care amongst friendly and welcoming staff and residents.

As a carer you can relax, knowing that your loved one is in a safe, welcoming environment with excellent care tailored to their individual needs in a person centred approach.

If you are in need of convalescence, or are well enough to leave hospital but not yet able to return home, respite care may be just what is needed. Here at Roseville Care Homes we are committed

to providing the care and support needed to get you back on your feet. Our aim is to provide continuity of care and we work hard to ensure that all our resident's personal preferences and desires are respected.

Prior to admission, our Home Manager will arrange to meet with you to assess your care needs, find out about you as a person and then tailor a care plan to suit you.

Our Care

Roseville Care Homes provide outstanding accommodation and care and we consider ourselves to be an extended family to our residents. We are passionate about our commitment to excellence and as such our aim is to provide person centred and compassionate care to every one of our clients. Our homes work in conjunction with local GP's, Social Services and Health Departments to ensure continued support, care and advice for all our residents.

All staff members are committed to maintaining your dignity and independence and providing you with high standards of personal care in a supportive, friendly and homely atmosphere.

Within our care homes we offer a variety of comfortable lounges and dining areas. TV and music is available in the lounge along with DVD's and magazines and we provide a full range of activities for our residents.

Our fruit and vegetables are freshly supplied by the local greengrocer and all our meat is freshly supplied by the local butcher.
